## Participation Information

Wednesday, July 17, 2019

I will begin the preparation and auditions this week for our 6th graders and HIGHLY encourage ALL of our students to audition for this! It will be a FABULOUS experience that will help to shape them and cause them to grow as singers and musicians. It will also be a wonderful memory of fun, laughter making friends, and bonding with other like-minded talented individuals.

There is an audition fee for this (\$13) and a participation fee. (\$38)  
I will prepare each student, record their audition and submit it for judging. Students need to sign up for a 20 minute audition time on the Google Calendar. Each student should arrive a few minutes early to their audition time slot with completed paperwork and their audition check (\$13) made out to: RayPec South Middle School. Student who are selected will need to pay the participation fee of \$38 and have their own transportation to and from the event. Hotel fees are also the family's responsibility. There are some scholarships which may be available with free/reduced lunch verification for those selected. The scholarship would cover participation fees, not audition fees.

Honor Choirs are an experience that I can speak to not only professionally but also personally. I participated in honor choirs as I grew up and both my son and daughter have participated in honor choirs. My son is now pursuing a degree in Musical Theatre at Lindenwood University and my daughter is currently a Senior at RayPec High performing in numerous Honor Choirs, musical groups and making plans to attend college to pursue a degree in vocal performance. We all have wonderful memories of our personal experiences being involved in Honor Choirs.

Next year we have the opportunity to audition for the Regional Honor Choir which in 2020 will be held in Little Rock, Arkansas! Auditioning and participating in this state level would be wonderful preparation for the Regional Level, which would be amazing for our kids to be selected to participate in! So, for numerous reasons this summer opportunity is a great one for our 6th graders.
